## EDUCATION

---

### Rashtriya Raksha University

*Bachelor of Technology - Computer Science and Engineering; CGPA: 8.4*

*Courses: Data Structures, Operating Systems, Analysis Of Algorithms, Database Management Systems.*

Gandhinagar, India

*Sep 2020 - Present*

## SKILLS

---

- **Languages:** C, C++, JavaScript, HTML, CSS, Python
- **Libraries:** Redux, Luxon, Mongoose, Soio
- **Frameworks:** NodeJS, React, Express
- **Databases & Tools:** MongoDB, Postman, Git
- **Soft Skills:** Good at Management, Good at Communication skills, Leadership

## EXPERIENCE

---

- **Tambola Solutions, LLC** USA  
*Internship (Full-Stack Developer)* *Nov - Feb*
  - Worked on the project to fulfill the requirements of the client.
  - Tech Stack used MERN ( MongoDB, Express js, React js, Node js ) along with many libraries.

## PROJECTS

---

- **Natours App:**
  - Created a highly secure API with Node.js, Express, and MongoDB, as well as extensive Postman documentation for easy integration, providing robust security and efficient functioning.
  - Implemented Advanced Mongoose techniques to construct effective data model connections and maximize performance (connection, virtual, aggregate, populate, Schema).
- **Food Delivery App:**
  - Developed a Food Delivery app using react js as a tech stack.
  - Implemented some of the libraries like toastify, performing asynchronous operations with redux-thunk, managing State with Redux .
- **Weather App:**
  - Created Weather App using React js, JavaScript, Tailwind CSS Technologies and and build online api to get the weather details of anyplace.
  - Explored few libraries like Luxon module, React-toastify , React-class components, React-hooks .
- **To-Do List:**
  - Created TO-DO List by implementing CRUD operations using React js for easy data management.

## CODING PROFILES

---

- Codeforces: @shahnishtha0902
- Codechef: @nishthashah09
- LeetCode: @shahnishtha0902

## EXTRA ACTIVITIES

---

- **Core Team Member, RRU DSC Club:**
  - Helped junior to start their journey with competitive programming and web development.
  - Helped in solving their issues in development as well as programming as a part of core team member of DSC.
